

Riegen™

THE ALL-NEW
Ceiling Fan Series

Inspiring Innovation For Every Home

Product Specifications

Riegen Smart App Wifi Control

One Fan, Multiple Users - Control Anytime, Anywhere

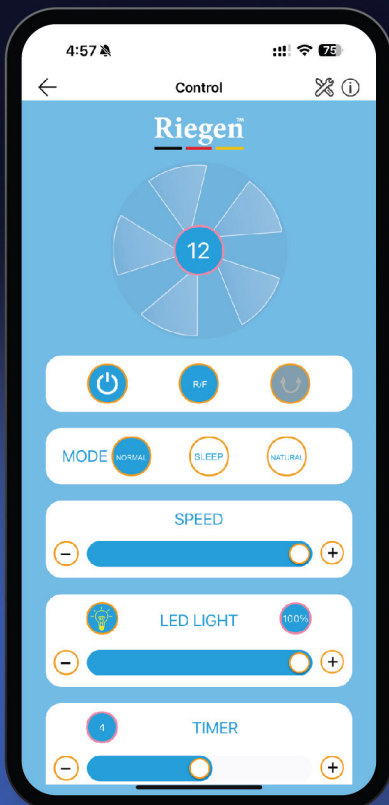

Multi-user & Multi-device Support
Let the whole household connect, control multiple fans from one app, with access for multiple users across different devices.

RIEGEN SMART APP

Be at home, even when you're away.
Control and monitor your ceiling fan anytime, anywhere -
All through the Riegen Smart App.

WiFi Connection to Control Fan

Control your fan from anywhere with WiFi.

Lighting & Speed Control

Stepless light control and up to 12 speed levels, create the perfect comfort for any moment.

Mode Control

Switch between Sleep, Natural Wind, and Normal modes.

After-Sales Service

Get quick help through the app whenever you need it.

Schedule for Timer Setting

Set your fan on a schedule that suits you.

House Grouping

Controls multiple fans together as one synchronized group.

Energy Monitor

Track your fan's energy usage to optimize efficiency and save on your electricity bill.

Customizable Presets

Save and switch between your favorite settings with a single tap.

Specifications

DC Motor
High energy efficiency and durability

Last Memory
Resumes fan speed when the fan was last stopped

Natural Wind

Low Noise

9F+9R Speed
Forward and reverse remote control
*Except SPINO 16

Wifi Function

Turbo Speed

Wide Coverage
Generates extra air volume with wide coverage airflow

Safety Steel Cable

120° Oscillation

180° Adjustable tilt

Dual-Mount Design
Mounts on wall or ceiling to fit your space

Sleep Mode
Auto reduce and maintain at speed 2 after 1 hour from existing speed

Timer
Turns off the fan after the pre-set duration

Trilight LED
*Tri-color LED 24w with dimmer function
**Tri-color LED 25w with dimmer function

Super Wind Flow
Powerful airflow for faster, smoother, and consistent cooling.
